Date: May 23, 2018
To: HI5 Customers
From: Atlas Recycling Centers, LLC.
Subject: Volcano Transfer Station Closure

Due to the recent events at Halema`uma`u Crater, we will be closing our HI5 operation at the Volcano Transfer Station until we are sure our employees will be safe. Being that the transfer station is within five miles of the crater, the risk of heavy ash and possible rock and debris being spewed from the volcano have led to our decision to keep our employees out of the area.

We are planning on reopening June 2, 2018 if conditions improve. Please visit our website for updated information on our closures.

www.atlasrecyclingcenter.com

Our Closest locations are at the Kea`au Transfer Station and Waiohinu Transfer Station.

Mahalo,

Kamaile R. Henriques
