WEST HAWAI'I SOLID WASTE DIVISION – ALL SITES ARE OPEN

All West Hawai'i transfer stations are open and operating as of Sunday, January 6, 2019. The Solid Waste Division of the Department of Environmental Management thanks our West Hawai'i patrons for their patience and understanding during last week's unexpected post-holiday staffing shortage.

Please visit our www.hawaiizerowaste.org website for current information, or call our Solid Waste Division Office at 961-8270.

Again, we apologize for the inconvenience, and thank everyone for doing their part in responsibly disposing of solid waste and greenwaste, and ensuring that our island home continues to be a clean and safe paradise.
