Ke'ei Transfer Station Green Waste Site is Closed Until Further Notice

The Ke'ei Transfer Station's green waste site cannot reopen as planned this Sunday, March 31, 2019, and will remain closed until further notice. The green waste closure is due to the facility's having reached the maximum storage capacity allowed by the State Department of Health.

The public can take their green waste to the Kealakehe Transfer Station in Kona, which is open for green waste seven days a week from 7:00 a.m. to 5:00 p.m.

We apologize for the inconvenience and thank you for your patience and understanding during this time.

Please visit our www.hawaiizerowaste.org website for future closure information and locations, or call our Department of Environmental Management, Solid Waste Division Office, at 961-8270.
