Solid Waste Service Closure Today, January 9, 2020 due to Facility Reaching Maximum Capacity:

- **Hilo White Goods and Scrap Metal Services**

Hilo White Goods and Scrap Metal. The Hilo Transfer Station's White Goods and Scrap Metal services are closed today, as they have reached the maximum storage capacity allowed by the State Department of Health. Services are scheduled to reopen once permit compliance has been met. Excess materials are being removed today so that normal operations can resume.

Residents are asked to hold on to their material until this site resumes accepting these commodities. The County is actively continuing its efforts to remove the materials on hand to allow for future acceptance.

We apologize for the inconvenience and thank you for your patience and understanding. Please visit our www.hawaiizerowaste.org website for future closure information and locations, or call our Department of Environmental Management, Solid Waste Division Office, at 961-8270.
