Load Size Restrictions at East Hawai'i Regional Sort Station Continue Through Tuesday, June 30, 2020

East Hawai'i Regional Sort Station services are closed to businesses hauling **commercially** generated waste loads larger than five (5) cubic yards until June 30, 2020. A five cubic yard load will fit in a standard size pickup truck with an 8-foot long bed filled up to the top of the cab.

The Sort Station, located at the South Hilo Sanitary Landfill (a.k.a. Hilo Dump), will continue to accept businesses hauling **residentially** generated waste loads of less than five (5) cubic yards during regular business hours from 7:00 a.m. to 4:15 p.m. daily.

We apologize for the inconvenience and thank you for your patience and understanding. Please visit our www.hawaiizerowaste.org website for future closure information and locations, or call our Department of Environmental Management, Solid Waste Division Office, at 961-8270.
