### **Glass Recycling Roll-off Replaced at Volcano Recycling and Transfer Station with a Smaller Bin**

Due to recurring vandalism concerns, the Solid Waste Division has replaced the non-HI-5 glass recycling roll-off at the Volcano Recycling and Transfer Station with a smaller mobile bin.

Two-Bin Recycling (corrugated cardboard, brown paper bags and non-HI-5 glass) at the Volcano Recycling and Transfer Station is available on Monday, Thursday, and Saturday from 8:00 a.m. to 4:00 p.m. Please do not leave your non-HI-5 glass containers at the site when the mobile bin is not present.

We apologize for the inconvenience and thank you for your patience and understanding as we tackle the challenges of vandalism at this site. Please visit our [www.hawaiiizerowaste.org](http://www.hawaiiizerowaste.org) website for locations and future closure information.
