Load Size Restriction at East Hawai'i Regional Sort Station Continues through November 30, 2020

East Hawai'i Regional Sort Station services are closed to businesses hauling **commercially** generated waste larger than five (5) cubic yards to November 30, 2020. Should circumstances change, this restriction may end earlier. A five cubic yard load will fit in a standard size pickup truck with an 8-foot long bed filled to the top of the cab.

The Sort Station, located at the South Hilo Sanitary Landfill (aka Hilo Dump), will continue to accept businesses hauling **residentially** generated waste during regular business hours from 7:00 a.m. to 4:15 p.m. daily.

We apologize for the inconvenience and thank you for your patience and understanding. Please visit our www.hawaiizerowaste.org website for future closure information and locations, or call our Department of Environmental Management, Solid Waste Division Office, at 961-8270.
