NEWS RELEASE

Date: November 12, 2020

Contact: Michael Kaha, Solid Waste Division Deputy Chief, County of Hawai'i
Department of Environmental Management (Solid Waste Admin 808-961-8270)

East Hawai'i Regional Sort Station will Start Accepting Construction and Demolition Debris for Disposal

The East Hawai'i Regional Sort Station will be accepting construction and demolition waste for disposal with the following conditions:

- A maximum of 5 cubic yards per load will be accepted (a 5 cubic yard load will fit in a standard size pickup truck with an 8-foot long bed filled to the top of the cab).
- No item shall exceed 4 feet in any dimension or weigh more than 50 pounds.
- No rocks, concrete, or grading and grubbing materials will be accepted.

Construction and demolition (C&D) waste and/or grading and grubbing (G&G) materials are accepted at the West Hawai'i Sanitary Landfill located at 71-1111 Queen Ka'ahumanu Highway six days per week (Monday through Saturday) from 7:00 a.m. to 4:15 p.m. If you are disposing of more than 50 cubic yards of C&D and/or G&G waste per day, please notify the West Hawai'i scalehouse (886-8059) at least 24 hours prior to disposing for scheduling.

Please visit our www.hawaiizerowaste.org website for information and locations, or call the Department of Environmental Management, Solid Waste Division office, at 961-8270. Mahalo for doing your part in properly disposing of waste and C&D debris, and for keeping our island a clean and beautiful paradise.
