### **East Hawai'i Regional Sort Station Load Size Restriction Continues through Thursday, December 31, 2020**

East Hawai'i Regional Sort Station services are closed to businesses hauling **commercially** generated wastes larger than five (5) cubic yards through December 31, 2020. If circumstances change, this restriction may end earlier. A 5 cubic yard load will fit in a standard size pickup truck with an 8-foot long bed filled to the top of the cab.

The Sort Station, located at the South Hilo Sanitary Landfill (a.k.a. Hilo Dump), will continue to accept businesses hauling **residentially** generated waste during regular business hours from 7:00 a.m. to 4:15 p.m. daily.

We apologize for the inconvenience and thank you for your patience and understanding. Please visit our [www.hawaiizerowaste.org](http://www.hawaiizerowaste.org) and register for Solid Waste Notifications (via email or text).
