NEWS RELEASE

February 10, 2022

Contact: Michael Kaha, Acting Solid Waste Division Chief, Department of Environmental Management, phone 961-8270

Transfer Station Closures this weekend, February 12-13, 2022

The Solid Waste Division of the Department of Environmental Management will close the Keauhou and Waiea Transfer Stations on Saturday, February 12, and the Keauhou and Ke'ei Transfer Stations on Sunday, February 13.

The Kealakehe Transfer Station will remain open throughout this weekend, but services will be restricted to municipal solid waste disposal only. No greenwaste, scrap metal, or white goods recycling will be allowed.

The Division is taking these steps in response to a shortage in manpower due to Covid-19 related issues.

The Division expects its transfer stations in the Kona District to return to normal operations on Monday, February 14.

Please visit our www.hawaiiizerowaste.org website for future closure information and locations, or call our Department of Environmental Management, Solid Waste Division Office, at (808) 961-8270, during business hours.
