EXTENSION OF E. HAWAI'I SORT STATION SIZE RESTRICTION FOR COMMERCIAL WASTE THROUGH JUNE 30, 2023

The existing East Hawai'i Regional Sort Station restrictions on businesses hauling commercially generated wastes larger than five cubic yards have been extended through June 30, 2023. Should circumstances change, this restriction may end earlier. A 5-cubic-yard load will fit in a standard-size pickup truck with an 8-foot-long bed filled to the top of the cab.

The Sort Station, located adjacent to the closed South Hilo Sanitary Landfill, will continue to accept businesses hauling residentially generated waste without charge during regular business hours from 7:00 a.m. to 4:15 p.m. daily.

Please visit our www.hawaii Zerowaste.org and register for Solid Waste Notifications (via email or text).
