Path to Zero Waste

Use refillable water bottles

MIXED BIN:
Paper, Cardboard,
Plastics 1, 2 & 5,
Metal cans

2-Bin Recycling:
MIXED and
GLASS

Recycle
HI-5 beverage
containers

Reusable shopping bags

ALTERNATIVES

Compost organics like food, paper & green waste to reduce the frequency of using the Recycling and Transfer Stations.

Use a different Recycling and Transfer Station that is open longer hours.

Change the day that you would normally go to the Recycling and Transfer Station.

Hire a local hauler to pick-up recyclables and rubbish.

Find a neighbor or friend who is available to take recyclables and rubbish during the open hours.

Path to Zero Waste

Reduce:
Try NOT to
buy plastic or
styrofoam

Reuse,
Repair &
Donate

Turn yard
waste & kitchen
scraps into
compost

Recycle
appliances
& metal

Go to
the website to
find locations
for E-waste

RECYCLING & TRANSFER STATION RULES

Residential waste and recycling only.
No business or commercial use.

Do NOT put the following down the rubbish chutes:

- e-waste (electronics)
- hazardous waste
- batteries
- animals
- paint
- scrap metal
- tires

Dumping rubbish elsewhere is illegal & punishable by fines up to \$25,000.
