

Celebrate Earth Day Every Day!

Recycle Your Athletic Shoes At Big Island Fire Stations April 1- 26, 2009

Shoes are recycled by the Nike Reuse a Shoe Program into athletic equipment, including tracks and playgrounds!

Any Brand of athletic shoe can be recycled!
*Please kōkua-
Athletic Shoes Only*

**Be part of a
statewide shoe
collection event!**

Old athletic shoes are not trash! Thanks to Nike's innovation, worn out athletic shoes can become much more than rubbish and serve a greater purpose long after they've run their last race.

**Between April 1 -26, 2009,
all Hawai'i County Fire Stations will be collecting
worn-out athletic shoes for recycling.**

Every part of a worn-out athletic shoe can live on in something new. Let's do our part by helping to spread the word: **Reuse a Shoe Today!**
